

Electrician

Rockydale Quarries Corporation, an established aggregate producer, is looking for an Electrician at our Roanoke, VA location. Primary duties include, but are not limited to, installing and repairing wiring and fixtures, control equipment, planning new or modified installations to minimize waste of materials, consistent execution of MSHA, DMME, and NEC electrical codes, preparing sketches showing location of wiring and equipment, following blueprints, repairing faulty equipment or systems, and other related duties.

Classification as a Journeyman Electrician is required, with certification as a Master Electrician and/or prior working knowledge of automation and PLC's a plus. Travel and overnight stays may be required. Previous experience working in a quarry or mine preferred. Must be able to work overtime as required by job.

High school diploma or GED, in addition to a clean driving record, is required.

Applicants may apply in person or submit resume by email or fax as follows (no phone calls):

Rockydale Quarries Corporation
2343 Highland Farm Road
Roanoke, VA 24017
Fax: 540.904.7333
