

LOADER OPERATOR

Roanoke, VA

Rockydale Quarries Corporation, an established aggregate producer, is looking for an experienced Yard Loader Operator at its Roanoke location.

Competitive wages and sign-on bonus for qualified applicants.

The qualified applicant must be able to proficiently operate a rubber tire loader in a fast-paced environment that averages loading out 250+ on road trucks a day. Other job duties include pushing and maintaining stockpiles, maintaining roadways, berms, and parking areas, keeping bins filled, and assuring quality and accuracy of the loads. The operator must have a customer focused attitude and demonstrated ability in maintaining customer relationships. The operator must be able to perform daily inspections of equipment, including monitoring gauges for proper operating temperatures, oil, and air pressure, etc. The operator will be required to perform routine preventive maintenance on equipment such as lubricating, fueling, and cleaning and refer defects or repairs to a supervisor. The loader operator may also be required to operate other equipment and participate in other quarry activities on an as needed basis.

The operator must be able to work in all types of weather conditions and in a mining environment.

Applicants must have at least two (2) years or more of proven experience with similar or same equipment machinery, and proven experience loading customer trucks. High school diploma or GED required.

Qualified applicants may apply in person or submit resumes as follows (no phones calls):
