

QUARRY UTILITY WORKER

Rockydale Quarries Corporation, an established aggregate producer, is looking for a Utility worker for its Flatrock (Quicksburg) location.

Must possess the ability to operate skid loaders, heavy duty off-road earth or rock moving equipment (rigid frame/articulated haul units), and other pieces of heavy equipment; be able to operate cutting torch and welder; and know basic functions of various types of heavy equipment. Must be able to multi-task and be mechanically inclined.

Must be able to work in all types of weather conditions and in a mining environment. Overtime may be required based on production needs.

Must have at least one year or more of training or proven experience with similar or same equipment machinery, and have basic knowledge of equipment mechanics. High school diploma or GED required.

We offer a competitive and comprehensive benefits package that includes paid time off, (8) paid holidays, health insurance, dental and vision insurance, company-paid life insurance, and a 401K/Profit Sharing Plan.

Applicants may apply in person or submit resumes as follows (no phone calls):
