

## Quarry Cake (aka Dirt Cake)

Lesson: The earth is made up of four layers – (1) Crust; (2) Mantle; (3) Outer Core; and (4) Inner Core. Just as our Quarry Cake has four layers. Thankfully, our Quarry Cake tastes much better than dirt!

### What you will need:

**1/3 cup butter or margarine**  
**1 – 8 oz. container of Cool Whip**  
**1 – Package of Oreos**  
**2 – Packs of French Vanilla Jello**  
**INSTANT Pudding**  
**1 – 8 oz. container**  
**of Cream Cheese**  
**1 cup of powdered sugar**  
**3 and ½ cups of milk**

### Directions:

1. Cream together butter, cream cheese, and powdered sugar.
2. In a separate bowl, whisk pudding, milk and Cool Whip. Add in cream cheese mixture.
3. Crush Oreos  
*\*Tip – Place Oreos in a tightly sealed, gallon Ziplock bag and crush with a rolling pin.*
4. Layer cookie and pudding mixture and chill for at least 2 hours before serving.  
*\*Tip – Layer in a 13x9 clear baking dish to see the layers.*
5. Top with gummy worms, grapes (aka rocks), and/or Matchbox dump trucks.

**Please have an adult's supervision for this activity.**
