DISCHARGE MONITORING REPORT (DMR) - GENERAL INSTRUCTIONS

1. Complete this form in permanent ink or indelible pencil.
2. Be sure to enter the dates for the first and last day of the period covered by the report on the form in the space marked "Monitoring Period".
3. For those parameters where the REQUIREMENT spaces have a benchmark or limitation, provide data in the REPORTED spaces in accordance with your permit. Enter maximum, minimum, and/or average concentrations and units in the "reported" spaces in the columns marked "Quality or Concentration".
For all parameters enter the number of samples which do not comply with the maximum and/or minimum permit requirements in the "reported" space in the column marked "No. Ex." (Number of Exceedances). If none, enter "0". Do NOT include monthly average violations in this field. Include any maximum violations in this field.
4. You are required to sample (at a minimum) according to the Sample Frequencies and Sample Types specified in your perm. If you sample more often than the Sample Frequency specified in your permit than all data must be used when completing the DMR.
5. Enter the actual frequency of analysis for each parameter (number of times per day, week, month, etc.) in the "reported" space in the column marked "Frequency of Analysis".
6. Enter the actual type of sample (Grab, 8HC, 24HC, etc) collected for each parameter in the "reported" space in the column marked "Sample Type".
7. Enter additional required data or comments in the space marked "additional permit requirements or comments". If additional required data or comments are appended to the DMR, references appended correspondence in this field.
8. Storm Event Information * (i.e., a "measurable storm event" is a storm event that results in an actual discharge from the site, providing the interval from the preceding measurable storm event is at least 72 hours): a. Enter the number of days and hours from the preceding "measurable storm event" * Storm event information not applicable to discharges from a storm water management structure.
9. The principal executive officer then reviews the form and must sign in the space provided and provide a telephone number where he/she can be reached. The final page of the DMR must have an original signature.
10. Send the completed form(s) with original signatures to your Department of Environmental Quality Regional Office on or before the 10th of April, July, October and January for quarterly monitoring and on or before the 10th of January for annual monitoring.
11. You are required to retain a copy of the report for your records.
12. Where violations of permit requirements are reported, attach a brief explanation in accordance with the permit requirements describing causes and corrective actions taken. Reference each separate violation by date.
13. If you have any questions, contact the Department of Environmental Quality Regional Office listed on the DMR.
